E4	
E5	
E6	
Plate or *Core:	depth

**Notes:**

(1) Please measure all treads and fill in the space provided above. If there are more steps than space provided, please write on separate sheet.

(2) If legs are cored, please ask your sales rep. about the Econ-o-Post, to make coring and setting a post easier.

(3) Depending on the number of steps, extra legs may be needed to meet code.
