

REMOVABLE BOLLARDS

Removable Locking Bollard:

Ideal Shield's Removable Locking Bollard combines the luxury of convenience with the protection our customers have relied on for over twenty years. Now designed with a self-closing lid to ensure pedestrian safety after removal, this bollard is the ultimate security solution.

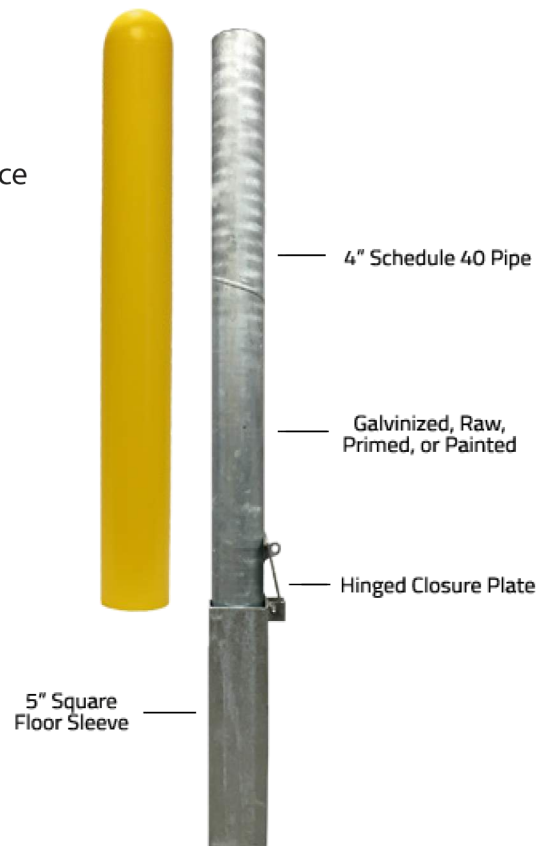

Removable bollards can be used along with fixed bollards to create an adjustable security barrier. Discover the ease with which you can install and remove these new bollards, making them ideal for areas requiring temporary vehicle access. As with all of our bollards, Ideal Shield's patented bollard covers fit securely, are available in any color, and can be customized to meet any branding needs. In stock and ready to ship! Contact Ideal Shield today!
